The Federal per diem limit for lodging in Salt Lake City is \$108 per night. Rooms can be reserved at www.comfortinn.com or by calling 1-877-424-6423. There is no special room block code needed.

DIRECTIONS FROM SLC INTERNATIONAL AIRPORT TO THE HOTEL AND TRAINING VENUE

Taking Light Rail from the Airport to and from the Comfort Inn

The TRAX Green Line provides light rail service between Salt Lake International Airport and downtown. Wayfinding signs in the airport provide arriving passengers guidance on how to get to the airport station. The fare is \$2.50 one-way and kiosks that allow for credit card purchase of tickets are available just inside the exit doors from the airport to the train station. Service from the airport to downtown runs every 15 minutes beginning at 5:42 AM with the last train departing from the airport at 11:27 PM. Service from downtown (Courthouse Station) to the airport begins at 5:11 AM with the last train leaving at 10:56 PM. The trip between the airport and Courthouse Station takes approximately 24 minutes. Detailed schedules and maps can be found at [this link](#). The Courthouse light rail station is the closest stop on the Green Line for training participants staying at the Comfort Inn.

Walking from Courthouse TRAX Station to Comfort Inn

From the Courthouse Station (on Main Street near 500 South), walk west on 500 South for one block to West Temple, cross 500 South to the south side of the street, then walk another half block west. The Comfort Inn will be on your left.

Walking from Comfort Inn to Conference Venue (SLC Library)

It is approximately 4 blocks (0.5 mile, 10-15 minute walk) from the Comfort Inn to the downtown SLC Library where the training session will be held. Those who don't want to walk quite that far can instead walk to the Courthouse TRAX station and take the Red Line one stop north/east to the Library station. The Red Line runs every 15 minutes. When going from Courthouse Station to the Library, make sure to catch the train on the east side of the platform that is going towards the University Medical Center. When returning from the Library Station to the Courthouse Station, catch the train on the north side of the platform that says it is going towards Daybreak. Detailed schedules and maps for the Red Line may be found at [this link](#).
